

BUILD BETTER. LEAD STRONGER.

Meaningful access to
entrepreneurial
construction leaders.

The Construction Leadership
Network brings together senior
leaders from commercial
construction companies across
North America—creating an
environment designed for
meaningful relationships,
shared knowledge and
business connections.

A FOCUSED NETWORK BUILT FOR PRACTICAL EXCHANGE

Meet leaders who share ideas openly, solve real business problems, and build relationships that continue beyond the conference.

88%+

DECISION-MAKERS
